CASTELLO DI FONTERUTOLI

Since more than six hundred years, the Mazzei family produces unique wines with spirit and passion renewed from generation to generation. At Fonterutoli, as well as at Belguardo and Zisola, resides the same philosophy that aims to promote local vine varieties as an expression of the identity of the region, in respect of diversity and nature, via sustainable agriculture and improvements mindful of the delicate hydro-geologic balance, in order to prevent soil erosion and maximize water reserves in the region. All of this in order to be able to hand the land intact to future generations.

The House of Lanson was founded in 1760 by Francois Delamotte. After Mr Delamotte passed away Jean-Baptiste Lanson took over and changed the name to Maison J-B Lanson et Compagnie. Jean Baptiste worked to develop the business outside France and particularly in Great Britain. He signed an exclusive agent's contract with Percy Fox Company in London. The contract lasted 100 years and gave Lanson a dominant position in Great Britain. Lanson has been the official supplier to the British court since 1900, when Henri Marie Lanson was awarded the title of "Purveyor of Champagne to Her Majesty" by Queen Victoria.
